

# Confined Confidence

Gas Detection and Safety Solutions

**G850 Series**

Whether in a confined space or an open area, the G850 is easy to operate, easy to read, and easy to carry. This multi-gas monitor is the global standard in gas detection.

Six-gas monitor plus ToxAlert / broad range (protection from hundreds of unknown gases) • AutoCal® automatic calibration  
Extended battery life • Three alarm modes  
Diffusion sampling or optional internal pump

## GfG Instrumentation

Worldwide manufacturer of gas detection solutions

Portable gas detection products • Fixed gas detection systems • Respiratory air monitors
